

EHRMAN CREST'S

Guidelines and Rules

Entry Form Deadline: Friday, January 31st

Science Fair: Saturday, Feb 22, 8:30am-12pm

Participation: All tables must be independently worked on.

Dimensions: Tables Height must be a minimum of 6 inches and a max of 12 inches. There are no requirements for width but tables must be able to hold an average size book or books.

Materials: Students may only use newspaper, masking tape and scissors. They may decorate tables using colored masking tape, coloring using markers or stickers only. They may **NOT** use pipe cleaners, glue or duct tape. The decoration can not help with the structural integrity of the table. No pre-made kits will be used.

Projects: Once entry is submitted, you are set to start on the project and we will see you on the big day anytime after 8:30am!

Supplies: If you need assistance with the purchase of materials for the challenge, please reach out directly to the Ehrman Crest PTO via email.

Judging: One of our fabulous volunteers will be acting as a judge, they will have 20 books and will place a book one by one on the top of your table. Tables must stand independently while holding the books.

Winners: If your table can hold 20 books and the judge can count to 10 seconds without the table tipping, buckling or breaking you will win a prize!

Students participating in both - will be able to test their tables while judges are deliberating on winners per grade.

If you have questions, please email Jean Elwell, JeanEhrmanCrestPTO@gmail.com.
